

SYDNEY ANZAC DAY MARCH UPDATE

No. 3/2017

Maxi Taxis

For the more senior veterans there will be Maxi Taxis replacing the Land Rovers. Veterans wishing to be transported in a Maxi Taxi are requested to be on the corners of Hunter and Phillip Streets by 8:30am.

Please note: Maxi Taxis will only complete one circuit of the March and will not be allocated to individual units.

Act of Remembrance

There will be a larger wreath on the side of the road to notify contingents when to give their eyes left and bands to commence a drum tap.

Veterans Cross Point

Veterans wishing to cross the March can crossover at Park Street. Please wait for direction from NSW Police and crowd control staff.

Follow direction of Marshals in the Dispersal Point

To avoid a choke point at the end of the march we ask all participants to follow the direction of the Marshals in the Dispersal Point. This includes turning left up Liverpool Street and clearing the street as soon as you have been halted.
