

How to add your member benefits website on your smartphone's home screen?

For quicker access to your benefits on your smartphone, add your member benefit website as a shortcut on your phone's home screen.

iPhone/iPad (iOS8)

- 1- Visit your Member Advantage website and log in with your membership number.
- 2- Click on the Share button on the menu bar (a box with an arrow sticking out from it).
- 3- Tap on "Add to Home Screen".
- 4- Tap on "Add" in the upper-right corner.
- 5- You have your "My Benefits" icon on your Home Screen, just like your favourite apps!

Android phones

- 1- Visit your Member Advantage website in Chrome and log in with your membership number.
- 2- Tap the Menu button on the browser bar.
- 3- Tap on "Add to Home screen".
- 4- Tap on "Add".
- 5- You have your "My Benefits" icon on your Home Screen, just like your favourite apps!
