Subject: Request ID 10751 - Strategic Plan For RSL NSW

Attn Mr Jon Black
CEO RSL NSW State Branch,

.
Good Afternoon Jon,

We at Gerringong RSL Sub- Branch Thank you for your presentation at the Warilla Sub-Branch Hall on Sunday last.

While we believe that there needs more attention to detail in the pooling of Sub-Branch liquid assets, we support in principal the aims of the Strategic Plan. I personally can see huge benefits to the NSW RSL movement if it moves collectively. To stay as we are now will only see us end up in a similar situation to South Australia etc.

Regards,
Mike O'Leary
