

# You're invited to join our RSL sub-Branch

Life after Defence can be daunting. From finding new work to meeting new people to starting a family, sometimes it feels like you're doing it all alone.

At RSL NSW, everyone is welcome. We're here to help support all veterans, their families and the wider community.

## We provide:

- Support for veterans and family members
- Connections with DVA claim and other advocacy
- A space to build community and mutual respect

## We organise:

- Regular social events for all
- Committee meetings and an AGM
- A special ceremony to recognise your membership.
